Direct Threat Monitoring

ISSUE	MONITORING WEEK 00
CADENCE	CONTINUOUS
HANDLING	CLIENT CONFIDENTIAL

BOTTOM LINE UP FRONT

One P1 threat against a named executive was escalated and is under active review, and a protest group announced a second rally outside the client's flagship office. Sector chatter against the retail energy segment rose, but no new actors were linked to the client this week.

DIRECT THREAT LEVEL

3 / 5

ELEVATED

LOW — CRITICAL

Scored on TAM-C's 1 to 5 risk method. Driven by one open P1 case against an executive.

01 Priority threats

P1 DIRECT — HIGH

Threat to harm a named executive

An account linked to a former contractor posted that [redacted] "will pay in person" and shared the executive's gym schedule. The account has posted near the client campus twice. Case escalated to security.

SOURCE · SOCIAL MEDIA

P1 PROTEST — ELEVATED

Second rally called outside HQ

Organizers from [redacted] Action called a rally outside the client's flagship office for Friday at noon, citing pricing. The prior rally drew about 60 people, stayed peaceful and briefly blocked the entrance.

SOURCE · MESSAGING CHANNELS

P2 SECTOR — MODERATE

Campaign targets energy retailers

A forum thread urges users to flood energy retailer support lines and review pages after rate increases. The client is not named, but two peers were. Similar campaigns have faded within ten days.

SOURCE · FORUMS

02 Client threat watch

INDICATOR	TREND	EXPOSURE
Hostile mentions of named executives	▲ Rising	HIGH
Protest calls at or near client assets	▲ Rising	ELEVATED
Doxxing of employee personal data	■ Steady	ELEVATED
Regional unrest near operating sites	▼ Easing	MODERATE

03 Analyst recommendations

01 Vary the executive's routine and brief their protection detail on the posting account.

02 Coordinate with building security and local police ahead of Friday's planned rally.

03 Prepare customer support for a call-flooding campaign tied to the rate changes.
