HANDLING	CLIENT CONFIDENTIAL

BOTTOM LINE UP FRONT

Bogota is manageable for business travelers who follow basic precautions. The main risks are street robbery, scopolamine drugging in nightlife areas, and express kidnapping in hailed taxis. Political protests are frequent but mostly confined to the city center and announced in advance.

LOCATION RISK SCORE

3 / 5

ELEVATED

LOW — CRITICAL

Scored on TAM-C's 1 to 5 risk method. Crime drives the score; terror risk is low.

01 Major risks

CRIME — HIGH

Armed phone theft in busy districts

Armed thefts of phones and bags are common near TransMilenio stations and in Chapinero. Thieves on motorcycles target pedestrians using phones. Victims who resist are at real risk of injury.

SOURCE · POLICE DATA

DRUGGING — ELEVATED

Scopolamine drugging in nightlife

Foreign visitors are drugged with scopolamine in bars and through dating apps, then robbed. Cases cluster in Zona Rosa and [redacted] Park. Travelers should not accept drinks or invite strangers back.

SOURCE · EMBASSY ADVISORIES

UNREST — MODERATE

Protests concentrated downtown

Marches by students and unions are frequent around Plaza de Bolivar and Carrera Septima. Most are peaceful and announced in advance, though clashes with riot police occur. Avoid the center on protest days.

02 Location risk watch

RISK	TREND	EXPOSURE
Street robbery and phone theft	▲ Rising	HIGH
Drugging and robbery in nightlife areas	Steady	ELEVATED
Express kidnapping in hailed taxis	Steady	ELEVATED
Protests and road closures downtown	▼ Easing	MODERATE

03 Traveler recommendations

01 Stay in Usaquen, Chico or Parque 93 and book vetted cars through the hotel or client.

02 Keep phones out of sight on the street and hand over valuables if confronted.

03 Never leave drinks unattended and avoid meeting app contacts in private settings.
